

# COVID-19 Mitigation Requirements to Enter Japan

October 31<sup>st</sup>, 2022

Those who intend to enter Japan (including Japanese nationals) are required to follow COVID-19 mitigation requirements listed as follows;

## [Border Control Measures Japan](#)

From September 7, 2022, based on the New Border Measures, among all cross-border travelers and returnees from the U.S. who possess a [valid vaccination certificate](#) of COVID-19 will no longer be required to submit the certificate of negative result of pre-departure COVID-19 test within 72 hours prior to departing.

*\*Those without a valid vaccination certificate will be required to submit a certificate of a negative test result, which is based on a specimen collected within 72 hours prior to departure. Please make sure to check our [required conditions](#), as we only accept results from valid specimens and approved test methods.*
